1. The committee discussed the scope for the upcoming months and the mission to focus on expanding volunteerism for the 2021-2022 FY.
2. The committee cited a major issue of TSRT emails ending up in Junk or Spam folders. Referring issue to the Technology Committee to review for possible solutions. Additionally, the online volunteer application needs to be amended to reflect the addition of local committees if adopted by the BOD.
3. The committee discussed the need to make the volunteer forms electronic. The committee chair will submit a task to the technology committee to make volunteer form electronic and accessible through the website via WP Forms.
4. Recommendation was made to reach out to Educational Alliance and discuss with local programs about upcoming volunteer opportunities and the best way to provide message to potential volunteers.
5. It was recognized that there is a lot of involvement with the educational programs, but there needs to be more involvement from working technologists or those in the clinical environment. The committee needs to reach working technologists or clinical environment to bring on volunteer technologists. Item placed on hold for future recommendations.
6. Ask the ASRT about a survey monkey or survey results for what technologists would like from the society, what would entice them to volunteer. Add paper surveys or survey link to TSRT

Annual meeting mailers this year OR a QR code for an online survey. Discuss with ODM Committee to add QR code to this year's mailer.

7. The committee recommends TSRT adopt a social media engagement manager. Evaluate the cost and potential contract with someone who is experienced in social media relations. Recommend to the BOD to amend the ODM Chair as a hired position in order to accomplish this.
8. Next meeting January 9th @4pm
9. Meeting adjourned at 5:59 pm MST

Meeting minutes approved by the Volunteer Engagement Committee on February 25, 2021.
